We kindly ask you to take note that **OUR VIDEO SERVICE FOR THE INTERNATIONAL, SPECIALETHNICAL, OR CULTURE WEDDINGS, are priced separate.**

Due to the added intricacies and unique traditions associated with these events, our rates are typically 30% higher than standard wedding packages.

Please be aware that if your wedding does not follow a traditional seated guest ceremony in a church or other venue, it will not be eligible for any discounts. Instead, we will customize the package to accommodate the specific traditions, national or ethnic events associated with your celebration.

Our team is committed to providing exceptional service and capturing the beauty of your unique wedding ceremony.

Thank you for understanding, and we look forward to serving you on your special day.
