Inheriting a Legacy - Continuing a Tradition
A Private Country Club

The Lake Valhalla Club is a private Country Club offering understated elegance and personal service.

The Club is centered around a serene 90 acre lake surrounded by forest and mountains. Built in the 1930s, the charming Tudor style Clubhouse features a dramatic Ballroom and Dining Room with spectacular views of the tranquil lake.

The Ballroom is available for Member functions and weddings.

It features vaulted ceilings, stone fireplaces with mantles and a picturesque balcony.

The adjoining Porch reveals floor-to-ceiling windows facing the lake.

Within the Clubhouse, the Viking Room bar and dining area are designed to take full advantage of the lake view. A separate outdoor Pavilion offers a snack bar for casual dining during the summer months. The professionally landscaped 40 acres of Club property provides a spectacular setting for the sports enthusiast.

There are five har-tru tennis courts, one asphalt court, four pickle ball courts, along with two half-court basketball courts. The rustic cottage and docks provide a quiet retreat for sailors, and the playground and picnic grove are the scenes for making childhood memories.

The Lake Valhalla Club is a year round facility.

The spring season begins as soon as the courts and fields are playable.

Summer is welcomed with an annual carnival for the children.

Summer also presents a full range of activities, such as swimming from our beach and docks, a water trampoline system, kayaks, canoes, paddle boats, fishing, volleyball leagues, softball, tennis, pickle ball, and Cornhole.

For the children, there is swim team, tennis team, and the Lake Valhalla Day camp -

while for their parents, an opportunity to relax on the Adirondack chairs or enjoy our patio dining and live entertainment.

The fall brings more volleyball, softball playoffs and paddle tennis.

Besides skating, ice fishing, and paddle tennis in the winter, enjoy dinner by the fireplace as well as other Member social events.
