Pricing

So that your wedding ceremony is extraordinary and memorable for you and your loved ones, I'm going to invest many hours into preparing an original ceremony based upon you and your personal story, as told to me by you.

Determining my fee is based upon the day of the week, time of day and location for my travel. Tell me the date, time and location and I will give you a firm quote.

- * Most Friday and Saturday ceremonies in my local area: \$595
- * Most Friday and Saturday ceremonies outside of my local area: \$695-995, depending on location.
- * Sunday bookings are very limited and add \$100-150, depending on location.
- * Some weekday or simple weddings may be lower than the above, depending on location.
- * Location, day of the week and time of day can affect any price lower or higher.
- * A rehearsal is common but not included in my fee.

Part of what you'll get from me:

- I'll schedule a formal talk with you and how to prepare for it
- I'll interview the two of you, hear your story and take copious notes
- I'll make creative suggestions on content options based on what I learn from you
- I'll write up, prepare and send in email suitable items for you to consider
- I'll write and edit your ceremony until it's polished
- I'll communicate with you along the way
- If I'm available and needed, I can fully coordinate your rehearsal or work it with your planner
- I'll travel and be early on your wedding day
- I'll handle your Marriage License
- I'll follow up after your wedding day

Please note: Your ceremony is 100% written by me for you to be unique and personal to you, not a generic ceremony. I do not use the internet for any content whatsoever.

Since 2007 I have carefully developed a process of making your wedding ceremony exclusive to you, needing only minimal time from you.

My services includes all meetings, phone calls, video meetings, emails and texts, providing vow choices and help writing your own, presenting other content options, writing special traditions, writing of the full ceremony, providing a ceremony outline, performing the ceremony as well as advising you with what you need to do to get your marriage license. I will also complete the license and file it with the county clerk afterwards as well as subsequent follow up.

I sincerely love my work and look forward to making your wedding day truly special!
