ADDITIONAL DETAILS & INFORMATION

- **Feature Film:** Includes footage of the prep before the ceremony, the full ceremony with audio, and highlights of all celebrations during the reception.
- **Highlight Film:** Snippets of the key moments of the Ceremony and Reception. This may also include footage of bride and groom getting ready. This may or may not include audio from the wedding day. Think of this like a short wedding music video!
- **Photography:** 200+ fully edited photos. Duration of photography coverage matches the coverage of your selected Videography package. Photos includes getting ready details, ceremony, reception, bridal party, family and couples portraits.
- **BONUS Footage:** The BONUS Footage is included in your digital delivery and can include all special celebrations (Cake Cutting, Bouquet/Garter Toss, Speeches, First Dance, etc.)
- Travel fee of 25 cents per mile is applicable if venue is further than 25 miles away.
- All music is selected and purchased by 39° North Productions (only songs that can be licensed are used)
