EVENT RENTALS | SAVANNAH, GA

RENTAL PRICING

All pieces available to rent are priced per item and available to view on our website. We pride ourselves on being transparent and up front on costs to avoid any surprises. We want to make this part of your event planning as low stress as possible!

DELIVERY & PICK-UP

YES! We provide delivery and pick-up services for your rental items. While we do not have a minimum order amount required for delivery and pick-up, we do have a fee that is based on the distance to your event. The fee for events within Savannah city limits and Tybee Island starts at \$75.00.

EVENT SET-UP

Need some extra hands to help with set-up? We've got you covered. After delivery, we'll stick around to help with tables, chairs, linens and more. Just let us know you'll need set-up assistance, and we'll work with you on a custom plan for the big day. Set-up pricing is based on the volume of rental items—we'll let you know the exact cost in your itemized quote.
