### Wedding December 2023

“Beautiful Church and Reception Venue – A Memorable Day. The Staff was extremely flexible and helpful accommodating our ideas. It was a joy to be married in the beautiful sanctuary surrounded by the exquisite Marc Chagall windows and exchange our vows underneath the Henri Matisse Rose Window. We were able to customize the ceremony and had free range to design and create the reception area. Natasha and Bob from Union Church were so supportive and excite to share in the joy of our wedding day.”

### Wedding June 2023

“The most perfect wedding day! We had the most beautiful wedding here with our close friends and family. Natasha was such a help with organizing everything the day prior and day of the wedding — everything ran so smoothly! The sermons and poems delivered by Pastor Patricia were touching and heartfelt. The stained-glass windows inside of the chapel are show stoppers. If you are looking for non-denominational church for a wedding of 100 or less people, I highly recommend you book this venue.”

### Wedding September 2022

“I fell in love with the Church of Pocantico Hills the first time I saw it 20 years ago. I have loved Chagall my entire life, and to have our wedding in a living museum was a dream come true. We hosted 120 guests in the small stone church. The church and location staff were extremely helpful throughout the entire planning process. We specifically worked with Pastor Tricia and she helped us customize our ceremony to be exactly how we wanted it. Everyone was kind, patient and responsive. I couldn't be more pleased with how the ceremony turned out!”

### Wedding April 2011

“I had passed by the beautiful Union Church many times thinking I'd love to get married there one day, but always thought you had to be a member or know someone as it was the church the Rockefeller family attended. I loved the country church charm and marveled at the beauty of the stained-glass windows by masterful artists Chagall & Matisse. Imagine my surprise, years later, when I found out that anyone is welcome to get married at Union Church! We met the Pastor, toured the Church, and immediately set a date. We continued to attend Union Church, became members, and had our child baptized there. It's a beautiful, historic, charming, & inviting space.”
