The pavilion was upgraded in 2020 and is now enclosed with a beautiful brick facade and farm style windows. Our pavilion is furnished with a heating and air system. This gives us a better back up plan for inclement weather if needed. If rain is in the forecast, the Pavilion can be used for the ceremony.

Newly added to our property off the beautifully lit Pavilion now stands a large, covered patio with rustic beams, a beautiful chandelier, and a large handcrafted outdoor fireplace with those cooler months in mind. It is the perfect romantic back drop for your ceremony and photos, or a quaint sitting area to gather and toast marshmallow.

About Us

If you like the feel of a country, rustic wedding, you have come to the right place!

We are a family farm located in Newborn, Georgia. This beautiful country environment is perfect for a rustic-inspired event. The property is nestled in the lush and green Morgan County, situated on 20 acres of pristine land that is host to a cabin, barn, pond, wooden bridge in the forest for a photo shoot, lounge, and gorgeous pavilion. When couples decide to rent this venue, they receive use of the barn as well as the pavilion.

What We Provide

Beautiful Beginnings Farm provides couples with ample space for their celebration. They can hold their ceremony out in the fresh, green grass by the barn and then move the party to the lofty and well-lit pavilion for their reception. The pavilion boasts string lighting as well as a brick dance floor. Ceremonies may be held in the open where you are able to take advantage of a selection of props that are available on-site.
