## Wedding Packages

### **Poppy Package**

This package is ideal for clients that have already initiated their event planning journey but require a professional to put finishing touches on your plans and manage the day-of coordination to bring the vision to fruition. You see yourself selecting the vendors, creating the design, and signing contracts, but know that you'll need extra hands (and hours) in the final stages to make sure no details are missed. We seamlessly integrate your existing plans, provide guidance, coordination, and support to ensure a cohesive and successful event.

#### **Starting at \$1,500**

- Complimentary Consultation (initial meeting)
- Unlimited phone and email conversations
- Up to 3 in-person planning meetings to be used as needed
- Floor plan design
- Custom timeline of your wedding day and all activities leading to your event
- Wedding rehearsal assistance/coordination
- Wedding day coordination
- Set up and breakdown of wedding décor
- Oversee vendors throughout your event
- Review all vendor contracts
- Oversee ceremony and reception traditions
- Dispersal of final vendor payments and tips
- Provide items for unexpected emergencies
- 1 Lead coordinator and 1-2 assistants as needed
- Ensure you have a beautiful and stress-free wedding

### **Poppy Package Add-Ons**

#### **-Budget Planning - \$500**

We will provide budget planning software, keeping track of all payments and create a spending plan that will keep you within your desired budget (This service is included in the Rose Package).

#### **-Event Design - \$1,500**

We will closely work with you to gather design inspiration to transform your event space and make sure your desired vision is achieved (This service is included in the Rose Package).

## **Rose Package**

This package is ideal for clients who desire a seamless, top-tier event without the hassle of managing every aspect themselves.
