

RESTAURANT & CATERING

La Paz Restaurant & Catering is located in Crestline Village, Mt. Brook, Mt. Laurel and Ross Bridge, Hoover, AL. We hold high honors from being voted Birmingham's Best Mexican Cuisine, along with awards for our cheese dip and margaritas. Our catering team is known for our outstanding catering services, commitment to exceptional customer relations, and the ability to make an event memorable. Regardless of the size of event, our catering staff is dedicated to ensuring an unforgettable experience for the host/hostess and their guests, allowing everyone to relax and enjoy their special occasion.

Our catering menu offers a wide variety of buffets, comprised of freshly made Mexican cuisine, allowing your clients to decide what best suits their needs and budgets. We offer everything from an appetizer buffet to a full course dinner, complete with sides, salad, and beverages.

La Paz Catering offers extensive options for all service needs. Our catering staff can present a complete **full-service** buffet by setting up with our linens, Mexican blankets, decorative bowls, Mexican décor, and our chaffing stands to keep the food hot. We can also bar-tend the event with our margarita kits or any other beverage that would be provided by us or the customer. Our caterers would set everything up for the event, bartend and clean up as if we were never there.

Along with our **Executive Full-Service** catering, where we set-up, bar-tend and clean up, La Paz Catering offers other services to best suit your needs. We can **deliver** the food in aluminum pans and plastic bowls and set-up for any office meeting or corporate event. We also offer a **Disposable Set-up**, where we will deliver, set up and display your buffet in disposable heated chaffing stands, black plastic bowls and our black paper table cover. If you wanted our set-up with our full-service equipment but didn't need a caterer/bartender to stay, we offer our **full service set-up**. This is the same as the executive full service, but we would set-up and come back the next day to get our things.

Please call Jill Williams, our Catering Director, for any questions. We appreciate your time and hope you will allow us the opportunity to assist you in the future.

Sincerely,

Jill Williams

La Paz Catering Director
