

ADD-ONS:

Photobooth:

Selfie booth – Easy to use photobooth. You can send pictures to text, emails or social media. Open air with a backdrop (MOST POPULAR) We can add printed pictures and a signed wedding guest book for Bride/Groom after event*(*add. fee)

Social Booth – Fully enclosed photobooth. Easy to use. Audio, video capabilities and printable pictures. We also create a wedding photo guest book we have guests sign pictures as a memory

UPLIGHTING: We offer wireless and wired uplighting to transform a room and change the atmosphere.

AUDIO GUEST BOOK – This is a very fun and popular device to record guest messages to the bride & Groom. It is a Push button phone where guests pick up phone and hear a pre-recorded message from clients to leave a message. We then forward all messages to client after event

KARAOKE: Over 50,000 songs to choose.

NAME IN LIGHTS FIXTURE: A custom design will be splashed on dancefloor, walls or ceilings with names, dates and logos

We can package any of these items to customize exactly what you are envisioning for your special day.

Our fun hats are an option and we wear them during the open dance floor time. We discuss all details from start to finish before event and send you a copy of the wedding timeline so we are on same page with timing, correct spelling and pronunciation of names.
