### Budget-Friendly Package:

Everyone should be able to experience a wedding, no matter the finances available. With advances in AI, we are happy to announce an essentials service starting at **\$1200** for the Ceremony, Cocktail Hour, Dinner, and Reception.

This includes:

- **Ceremony** - One speaker audio setup with one microphone, mixer, and sound engineer. A mixed setlist will play during the pre-ceremony. An engineer will cue the ceremony music.
- **Cocktail** - One speaker with a genre-specific, pre-selected playlist.
- **Reception** - Two speaker systems, mixer, music controller, wireless microphone. The engineer will cue the playlist for dinner, adjust the volume for announcements, and cue a professionally pre-mixed DJ set curated by you with professional DJ input.

A la carte add-on services are available.
